Dear Student:

The Shelby County International Relations Council (SCIRC) in partnership with the City of Shelbyville are once again planning to send a student delegation to our Sister City, Shizuoka City/Kambara, Japan in the summer of 2020. Our Sister City program was established in 1988 to provide a cultural exchange of students and adults between our communities. Last summer, five students and three adult chaperones from Shelby County participated in the summer student exchange.

SCIRC will assist with the planning and coordination for this trip along with the City. Although no specific dates have been chosen yet, the student trip is planned for mid June 2020. The trip will include approximately one week in Shizuoka City/Kambara as a home-stay experience as well as a few days in Tokyo. Travelers are expected to personally pay 100% of all costs associated with the trip, which generally includes transportation fees of airfare, train and bus, hotel costs in Tokyo, gifts to their home-stay host families, special group activities, sponsored meals, and any personal purchases. The cost of the trip is expected to range from \$2,500 - \$3,000 per traveler. Fundraising for this trip is acceptable.

The travel group will include several students currently in grades 7-12 along with adult chaperones. Students chosen for our delegation will be required to attend general orientation sessions prior to the trip on Japanese culture, language, customs, and trip details. Students selected must be excellent representatives of Shelby County and will be expected to display good citizenship and community values. Upon completion of the trip, all students and adults are encouraged to share their experiences with community groups, service organizations, or school classes.

Students in grades 7-12 from Shelby County who are interested in this home-stay, cultural exchange may complete and submit the attached application along with a \$250.00 deposit by **Wednesday, January 15, 2020**. Two references must also be obtained on the appropriate form and submitted by **January 15th**. The applications will be reviewed by the SCIRC selection committee and a student delegation will be chosen by February 15th to represent Shelby County for the 2020 summer trip. Prior participation or enrollment in a Japanese program is not required.

**An information meeting will be held on Tuesday, October 29th at City Hall, 44 West Washington Street, in the Council Chambers at 6:45 p.m. for anyone who is interested in learning more about the Sister City program.** Additional information on the history of our Sister City relationship can be found on the homepage of the City's website at [www.cityofshelbyvillein.com](http://www.cityofshelbyvillein.com) under *Japan Sister City*. Questions may be directed to Linda Sanders at 317-753-4319, s\_linda@sbcglobal.net or the Mayor's Office at 317-398-6624.

Respectfully,

Linda Sanders
