

HAMILTON MAJOR PLACE

Planned Development District Detailed Plan

Submitted October 11, 2019

SECTION 1: DECLARATION

The Unified Development Ordinance (the "UDO") of the City of Shelbyville, Indiana, as amended, and the Official Zoning Map of the City of Shelbyville, Indiana, dated January 18, 2012, as amended, which accompanies and is a part of the Zoning Code of the City of Shelbyville, Indiana, are hereby amended as follows:

The zoning classification of the real estate legally described in "Exhibit A" of this Ordinance, is hereby designated as a Planned Development (PD) District, and that said PD zoning district shall hereafter be known as the "Hamilton-Major PD."

SECTION 2: PURPOSE AND INTENT

The purpose and intent of the Hamilton-Major PD is to provide for high quality, infill residential development on approximately 4.75 acres within the West Side Historic District of Downtown Shelbyville. Its focus is to create a walkable neighborhood with custom home building sites that blends with the architectural character and the quality of the exceptional homes within the area. Additionally, it seeks provides an opportunity for a high-quality townhome development to make a mix of desired housing opportunities available close to Shelbyville's Public Square.

To the extent that the development, architectural, landscaping and parking standards specified in this PD Ordinance conflict with or address the same subject matter as the City's Zoning and Subdivision Control Ordinances, the standards specified in this PD Ordinance shall replace and supersede any such standard. Matters not governed by this PD Ordinance shall be governed by the terms, conditions, and provisions of the UDO as amended from time to time.

SECTION 3: LAND USE

Intent:

The Hamilton-Major PD is located within the heart of Shelbyville's Westside Historic District and is near some of the city's most historically prominent homes. The land use established by the PD is consistent with the surrounding residential land uses and seeks to provide for a mix of desirable housing opportunities that will enhance the quality of the existing neighborhood.

The Hamilton Major PD is divided into two (2) land use Areas as depicted in the "Hamilton-Major PD Concept Plan" attached hereto as "Exhibit B." The permitted land use for each Area shall be as follows:

A. Area 1: HMPD - Single Family Residential

Permitted use in Area 1 shall consist of Single Family Residential subject to the standards and restrictions contained in the PD and the Shelbyville, Indiana UDO with respect to the Single Family Residential (R1) district.

B. Area 2: HMPD – Townhome Development

Permitted use in Area 2 shall consist of a Townhome Development subject to the standards and restrictions contained in the PD and the Shelbyville, Indiana UDO with respect to the Multiple Family (RM) District.

SECTION 4: DEVELOPMENT STANDARDS

Intent:

The Development Standards established by this document seek to mimic the character of the traditional, historic neighborhood that surrounds the Hamilton-Major PD. Specific characteristics of the surrounding neighborhood include compact and high-quality development, safe and walkable streets, and large custom-built homes that feature prominently from their streets.

All design and development of all property within the Hamilton-Major PD shall comply with the following standards:

A. Area 1: HMPD - Single Family Residential

1. Minimum Lot Area:

The minimum lot area for all single-family residential lots shall be as established by the approved Hamilton-Major Secondary Plat attached as "Exhibit B." No further subdivision of lots shall be permitted.

2. Maximum Lot Area:

The maximum lot area for all single-family residential lots shall be as established by the approved Hamilton-Major Secondary Plat attached as "Exhibit." No combination of lots shall be permitted.

3. Allowable Structure Types:

The following structure types may be constructed within Area 1: HMPD – Single Family Residential and must comply with the Architectural Control Standards established by the PD:

a. Primary Structure:

A Primary Structure shall be defined as a single-family home with a minimum footprint of 1,200 square feet and a minimum livable area 2,200 square feet. No more than one (1) Primary Structure will be allowed per lot.

b. Accessory Structure:

An Accessory Structure shall be defined as a structure that is subordinate and incidental to the Primary Structure with a minimum footprint of 300 square feet and a maximum footprint of one-half the Primary Structure footprint. One (1) Accessory Structure will be allowed per lot.

Allowable Accessory Structure uses include the following: detached garage, pool house/game room, in-law quarters/Accessory Dwelling Unit, workshop, greenhouse,

storage building, and home occupation. Accessory Uses shall be subject to the standards established in Article 5 of the UDO.

c. Minor Accessory Structure:

A Minor Accessory Structure shall be defined as a structure that is subordinate and incidental to the Primary Structure with a footprint of 300 square feet or less. One (1) Minor Accessory Structure will be allowed per lot.

Allowable Minor Accessory Structure uses include the following: storage shed, pool house/game room, workshop, greenhouse.

4. Lot Orientation and Minimum Setbacks:

Lots shall be oriented so that front yards are established as yards nearest to Washington Street or Franklin Street as defined below. Corner lots shall have one established front yard as defined in the matrix.

a. Lot Orientation and Minimum Primary Structure Setbacks:

Lot:	Front Yard Orientation:	Front Yard:	Side Yard:	Rear Yard:
L1, L2, L3, L4	Washington Street	15'	8'	20'
L5, L6, L7, L8	Franklin Street	8'	8'	20'
L9, L10, L11, L12, L13	Franklin Street	8'	8'	20'

b. Minimum Accessory Structure and Minor Accessory Structure Setbacks:

	Front Yard:	Side Yard:	Rear Yard:
Accessory Structure	*	5'	4'

*Accessory structures shall not project beyond the front façade of the primary structure.

5. Maximum Structure Height:

Structure height shall be measured as the distance between the lowest adjacent grade to the structure and the highest point on the structure.

a. Primary Structure:

The maximum height for Primary Structures shall be 2-1/2 stories. In no instance shall the structure exceed forty (40) feet in height.

b. Accessory Structure:

The maximum height for Accessory Structures shall be 2 stories. In no instance shall the Accessory Structure exceed the less of twenty-five (25) feet or the height of the Primary Structure.

c. Minor Accessory Structure:

The maximum height of Minor Accessory Structures shall be fifteen (15) feet.

6. Maximum Lot Coverage Area:

Lot coverage area shall be the total area of all impervious improvements to the site such as structures, porches, drives, sidewalks, paved areas, pools, etc. In no instance shall the maximum lot coverage area exceed 80% of the total lot area.

7. Sidewalks:

Sidewalks shall be required along all public streets and must be installed by the owner at the time of construction. Sidewalks must meet the location and construction standards established by the UDO and City of Shelbyville Construction Standards.

8. Landscaping:

a. Street Trees:

A minimum of two (2) canopy street trees shall be required along each public street or alley per lot, excluding an alley in a rear yard. Canopy trees shall be a minimum three-inch caliper at the time of planting. As possible, street trees shall be planted between the curb and sidewalk, at least ten (10) feet from any drive cuts and outside vision clearance triangle established by the UDO.

b. Ornamental and Deciduous Trees:

A minimum of one (1) ornamental and one (1) deciduous tree shall be provided in each front yard and rear yard. A minimum of one (1) ornamental and one (1) deciduous tree shall be provided in each side yard adjacent to a public street. Ornamental and deciduous trees in residential yards shall be a minimum two-inch caliper at the time of planting.

c. Foundation Plantings:

Facades of a primary structure that face a public street or alley shall require a minimum of eight (8) shrubs planted within six (6) feet of the foundation. Rear facades that face a public alley shall be excluded.

d. Maintenance:

Required minimum landscape material shall be kept alive and in good health.

9. Improvement Location Permit Process:

Area 1: HMPD – Single Family Residential shall be subject to the Improvement Location Permit process as established by the UDO and all other necessary reviews and approvals as determined by the City of Shelbyville Planning Staff. The City may not issue an Improvement Location Permit until the development receives approval from the Architectural Control Committee established by this PD. This PD shall provide all available relief from the standards provided herein under the terms, processes, and appropriate governing bodies established by the UDO.

B. Area 2: HMPD – Townhome Development

1. Minimum Lot Area:

The minimum lot area shall be 15,000-SF.

2. Allowable Structure Types:

The following structure types may be constructed within Area 2: HMPD – Townhome Development and must comply with the Architectural Control Standards established by the PD:

a. Primary Structure:

A Primary Structure shall be defined as a building where dwelling units are joined side-by-side and separated by shared walls. Each dwelling unit shall have independent access to the frontage. The maximum number of dwelling units shall be seven (7) units per building. Each unit shall have a minimum livable area of 1,800 square feet.

b. Accessory Structure:

An Accessory Structure shall be defined by the standards established in the City of Shelbyville UDO, Accessory Use and Structures, AS-01, AS-02, AS-04, with respect to the Multiple-family Residential (RM) District.

3. Lot Orientation and Minimum Setbacks:

a. Lot Orientation:

Lots shall be oriented so that front yards are nearest to public streets.

b. Minimum Primary Structure Setbacks:

	Front Yard:	Side Yard:	Rear Yard:
Primary Structure	0'	20'	40'

c. Minimum Accessory Structure Setbacks:

	Front Yard:	Side Yard:	Rear Yard:
Accessory Structure	40	10'	10'

4. Maximum Structure Height:

Structure height shall be measured as the distance between the lowest adjacent grade to the structure and the highest point on the structure.

a. Primary Structure:

The maximum height for a Primary Structure shall be 3-1/2 stories. In no instance shall the structure exceed forty-five (45) feet in height.

b. Accessory Structure:

The maximum height for Accessory Structures shall be 1 story. In no instance shall the Accessory Structure exceed the less of twenty (20) feet or the height of the Primary Structure.

5. Maximum Lot Coverage Area:

Lot coverage area shall be the total area of all impervious improvements to the site such as structures, porches, drives, sidewalks, paved areas, pools, etc. In no instance shall the maximum lot coverage area exceed 80% of the total lot area.

6. Sidewalks:

Sidewalks shall be required along all public streets and must be installed by the developer at the time of construction. Sidewalks must meet the location and construction standards established by the UDO and City of Shelbyville Construction Standards.

7. Landscaping:**a. Street Trees:**

One (1) canopy street tree shall be required for each 25 linear feet of frontage along a public street. Canopy trees shall be a minimum three-inch caliper at the time of planting. As possible, street trees shall be planted between the curb and sidewalk, at least ten (10) feet from any drive cuts, and outside the vision clearance triangle established by UDO.

b. Ornamental and Deciduous Trees:

A minimum of one (1) ornamental and one (1) deciduous tree shall be provided for each 5,000 square feet of lot area and should be distributed appropriately across the property. Ornamental and deciduous trees shall be a minimum three-inch caliper at the time of planting.

c. Foundation Plantings:

All facades of a Primary Structure shall require one (1) shrub planted within six (6) feet of the foundation for every 10 linear feet of foundation. No foundation planting will be required on a zero (0) lot line façade.

d. Parking Lot Perimeter/Access Drive Perimeter Planting:

A landscape area shall be designed, constructed, and maintained around a minimum of 80% of the perimeter of any parking lot and/or access drive. The landscape area shall at no point measure less than six (6) feet in width. It shall be planted with a combination of shrubs and trees to partially screen parking areas and drives from view from public streets and adjacent properties. A minimum of one (1) tree and five (5) shrubs shall be provided for every 600 square feet of landscape area. An equal mix of ornamental and deciduous trees shall be provided.

e. Maintenance:

Required minimum landscape material shall be kept alive and in good health.

8. Site Development Plan Process:

Area 2: HMPD – Townhome Development shall be subject to the Site Development Plan Review process as established by the City of Shelbyville UDO and all other necessary reviews and approvals as determined by the City of Shelbyville Planning Staff. The City may not issue an Improvement Location Permit until the development receives approval from the Architectural Control Committee established by the PD. This PD shall provide all available relief from the standards provided herein under the terms, processes, and appropriate governing bodies established by the UDO.

SECTION 5. ARCHITECTURAL CONTROL COMMITTEE:

Intent:

An Architectural Control Committee will be responsible for reviewing specific aspects or proposed plans for construction and alterations to structures to ensure that new any development preserves property values and is consistent with the quality and character of the surrounding neighborhood.

The purpose of the Architectural Control Committee (ACC) is to provide oversight and to ensure any improvements or development within the PD are consistent and complementary to the surrounding neighborhood and comply with the Architectural Control Standards established in Section 6 of the PD.

A. Establishment of the Architectural Control Committee:

The ACC shall be established per the following requirements of the PD within 30 days of its adoption by the City of Shelbyville.

1. Minimum Qualifications of Members:

Each member of the ACC shall be at least 18 years of age and a resident of the City of Shelbyville. As possible, consideration should be given by their designator or designating body to appoint members with an understanding of basic architectural concepts, construction, and/or development.

2. Composition:

The ACC shall consist of the following five (5) members:

- a. Two (2) designees as appointed by the Shelbyville Plan Commission with one member being a sitting member of the plan commission.
- b. Two (2) designees as appointed by the Mayor of Shelbyville
- c. The Executive Director of Mainstreet Shelbyville or a representative appointed by the Mainstreet Shelbyville Board, should the director not meet the minimum qualifications of members.

3. Term:

Members shall be elected to the ACC for one (1) year terms upon the establishment of the PD. Member terms shall be considered renewed for one (1) year upon each anniversary of their election, unless replaced by their designator or designating body. Members may be replaced at any time and for any reason by their designator or designating body. Upon resignation from the ACC, members shall be replaced by their designator or designating body within 30 days of notice.

4. Staff:

The City of Shelbyville Plan Commission Staff will serve as staff to the ACC and will coordinate all meetings and keep record of documents and proceedings.

B. Responsibilities:

The ACC shall provide oversight and ensure any improvements or development within the PD are consistent and complementary to the character of the surrounding neighborhood and comply with the Architectural Control Standards established in Section 6 of the PD. The ACC shall be responsible for the review and approval of the following improvements and alterations to parcels within the PD:

- All Primary Structures and Accessory Structures
- Additions and Renovations to Primary Structures and Accessory Structures
- Fencing and Compliance with Landscaping Requirements
- Driveways, Approaches, and Parking areas

The ACC should take care to ensure a variation of design between structures within the district. Identical designs, or very similar designs, to previously approved submittals shall be prohibited. The ACC should seek to approve designs that match the varied architectural styles within the surrounding neighborhood, balanced with modern construction techniques and design.

The role of the ACC should be considered subjective, and committee members should use their best judgement to ensure that approved structures and alterations are compatible with the surrounding neighborhood and meet the standards and intent of the PD.

The owner of a parcel may not file for a building or improvement location permit or commence any construction activities until Final Approval has been granted by the ACC. The City of Shelbyville shall not issue any permits for construction until Final Approval has been granted by the ACC.

C. Procedure:**1. Preliminary Site Plan and Elevation Submittal, Initial Approval:**

All plans for Primary Structures, Accessory Structures, and additions and alterations to Primary Structures and Accessory Structures shall be prepared and certified by an architect licensed by the state of Indiana.

Prior to obtaining detailed architectural plans, the owner of a parcel and its architect shall submit a preliminary site plan and structure elevation to the Architectural Control Committee. The preliminary site plan shall at a minimum indicate the location of all structures, driveways, parking areas, porches, fences, and landscape areas to scale and with dimensions. Preliminary building elevation shall be provided for the Primary Façade of all structures and shall clearly indicate all material types and percent composition, fenestration, colors, design elements to scale and with dimensions.

Within fifteen(15) days of receipt of the plans, the ACC shall make the one of the following declarations:

a. Initial Approval:

Plans are approved and comply with the Architectural Control Standards established by the PD and require no modification.

b. Conditional Approval:

Plans generally comply with the Architectural Control Standards established by the PD and require minor modifications to meet all required standards. The ACC will provide a complete list of all required modifications that must be incorporated in the final submittal for approval.

c. Disapproval:

Plans do not comply with the Architectural Control Standards established by the PD and require major modifications to meet required standards. The ACC shall provide specific reasons for disapproval.

2. Final Site Plan and Elevation Submittal, Final Approval:

After obtaining Initial Approval, the owner of a parcel and its architect shall submit a final site plan and structure elevations to the Architectural Control Committee for Final Approval.

The final site plan shall indicate the final location of all structures and the location and material type of all driveways, parking areas, porches, fencing, landscaping areas, and landscape plantings to scale and with dimensions. Final building elevations shall be provided for each façade and shall clearly indicate all material types and percent composition, fenestration, colors, design elements to scale and with dimensions.

Within fifteen(15) days of receipt of the plans, the ACC shall make one of following declarations:

a. Final Approval:

Plans are approved and comply with the standards established by the PD and require no modification.

b. Disapproval:

Plans do not comply with the standards established by the PD and require modifications and resubmittal to meet required standards. The ACC shall provide specific reasons for disapproval.

After final approval has been granted, any modifications to plans must be submitted and approved by the ACC.

Upon receipt of Final Approval from the ACC, a parcel owner may apply for a Building or Improvement Location Permit from the City of Shelbyville.

The City may not issue a Certificate of Occupancy until Staff certifies that all completed improvements are in accordance with the approved plans.

3. Electronic Meetings and Voting:

The ACC may conduct meetings, review documents, comment, ask questions, and provide responses via email or other electronic means so long as each member is included in correspondence. The ACC may issue approvals, disapprovals, and vote on matters to come before the ACC via email or other electronic means so long as each member affirms a call for electronic vote and provides a vote.

SECTION 5. ARCHITECTURAL CONTROL STANDARDS:

Intent:

The Architectural Control Standards established by the PD seek to ensure that the aesthetic qualities of new development are harmonious and consistent in quality with the surrounding neighborhood.

A. Area 1: HMPD - Single Family Residential

1. Compatibility:

All structures within the PD should be compatible in design, materials, and architecture to existing structures within the City of Shelbyville's West Side Historic District. Care should be given by the Architectural Control Committee to approve designs that are congruent with the design and quality of the architecturally contributing homes within the district, but also balance modern construction methods and modern architectural design.

2. Professional Design Requirement:

All Primary and Accessory Structures shall be designed and certified by an architect licensed by the State of Indiana.

3. Primary Structure Architectural Standards:

a. Primary Façade:

The Primary Façade shall be defined as the front of the structure that includes the main entrance to the structure and faces a public street. All Primary Structures within the PD are required to have one primary façade that faces either Washington Street or Franklin Street. Requirements for the Primary Façade consist of the following:

i. Orientation:

The Primary Façade shall be defined as the front of the structure that is oriented to face either Washington Street or Franklin Street as defined below:

Lot:	Primary Façade Orientation:
L1, L2, L3, L4	Washington Street
L5, L6, L7, L8	Franklin Street
L9, L10, L11, L12, L13	Franklin Street

ii. Main Entrance:

A highly visible building entry shall be oriented to the adjacent major street consistent with the design of the structure. The entry shall include a minimum

5' concrete or paver walkway from the public sidewalk to the dwelling entry. The entry shall be covered and include a stoop, porch, or balcony over the entrance.

iii. **Materials:**

Primary building materials may consist of up to two of the following: brick, natural stone, cultured stone, smooth wood siding, smooth fiber cement siding.

In allowing unlisted materials, the ACC should exercise an abundance of caution to allow only materials with significant longevity that are consistent with the quality and character of the PD.

iv. **Accent Materials:**

Accent materials may consist of natural stone, cultured stone, or architectural metal such as stainless steel, copper, brushed nickel, brass, or similar. Accent materials, if used, may compose up to 25% of the façade.

v. **Glazing:**

Glazing must compose a minimum 20% of the surface area of a Primary Façade.

b. Secondary Façade:

The Secondary Façade shall be defined as the sides and rear of the structure and should match the Primary Façade in material composition, colors, and general fenestration.

Requirements for Secondary Facades consist of the following:

i. **Materials:**

Secondary Façade building materials must compliment the Primary Façade and may consist of the following: brick, natural stone, cultured stone, smooth wood siding, smooth fiber cement siding.

ii. **Accent Materials:**

Accent materials must compliment the Primary Façade and may consist of natural stone, cultured stone, or architectural metal such as stainless steel, copper, brushed nickel, brass, or similar. Accent materials may compose up to 25% of the façade.

iii. **Glazing:**

Glazing must compose a minimum 15% of the surface area of a Secondary Façade that faces a Public Street. In all other instances glazing must compose a minimum 10% of the total façade surface area.

c. **Prohibited materials:**

The following materials are prohibited from use on any building within the PD:

- i. Aluminum Siding
- ii. Corrugated Metal Siding
- iii. EFIS or Stucco
- iv. Exposed concrete block, unless finished with brick or stone
- v. Vinyl Siding, vinyl soffits, or other vinyl materials are strictly prohibited from use on any structure within the PD.

d. **Colors:**

Up to three colors, including material colors, but excluding trim color may be used on structures. A minimum of two colors including trim color must be used. Overly bright colors as determined by the ACC shall be prohibited.

e. **Trim:**

When siding around windows, trim shall be a minimum of six (6) inches with sill and crosshead top plate. For brick, a soldier course or stone element shall be required for a lintel and a rowlock course or stone element shall be required as a sill.

f. **Shutters:**

If provided, shutters shall be proportioned to one-half of the window from each side.

g. **Foundation Cladding:**

Foundation cladding may consist of brick, natural stone, or cultured stone.

h. **Porch Pier Cladding:**

Porch pier cladding may consist of brick, natural stone, or cultured stone, between each pier.

i. Chimney Cladding:

Chimney cladding may consist of brick, natural stone, cultured stone, or material to match the primary material of the façade.

j. Roof Pitch and Overhang:

Roof pitch may be 5:12 to 12:12 excluding small roof areas over entryways or porches. Flat roofs may be permitted if the ACC deems the roof provides architectural significance to the structure. Roof eave/overhang must project no less than 16 inches from the face of the structure.

k. Roof Materials:

Roofs shall be constructed of high-quality materials such as natural or synthetic clay tiles, slate, concrete tiles (with natural texture and color), standing seam metal roofing, and three dimensional or architectural rated asphalt/fiberglass shingles.

l. Mechanical Equipment:

All mechanical equipment shall be screened from view by buildings, ornamental fences/walls, architectural screens, parapet walls, or landscaping complementary to the materials of the Primary Structure. Mechanical equipment shall include the following: HVAC systems; pedestals for telephone, electric, or data service; television antenna (whether ground, side, or roof mounted); satellite dishes or antenna (whether ground, side, or roof mounted)

4. Accessory Structure Architectural Standards:

The design of an Accessory Structure should be consistent and complementary to its Primary Structure. The following standards apply to the design of Accessory Structures:

a. Materials:

Accessory Structures must be constructed of similar or complementary materials to the Primary Structure and must incorporate one (1) material from the Primary Structure at a minimum. Accessory Structure materials may consist of the following: brick, natural stone, cultured stone, smooth wood siding, smooth fiber cement siding. The Primary Structure design elements shall be carried over to the Accessory Structure.

b. Prohibited materials:

The following materials are prohibited from use on any building:

- i. Aluminum Siding

- ii. Corrugated Metal Siding
- iii. EFIS or Stucco
- iv. Exposed concrete block, unless finished with brick or stone.
- v. Vinyl Siding, vinyl soffits, or other vinyl materials are strictly prohibited from use on any structure within the PD.

c. Colors:

Colors for Accessory Structures should be consistent and complementary to the colors of the Primary Structure. Up to three colors, including material colors, but excluding trim color may be used on structures. A minimum of two colors including trim color must be used. Overly bright colors as determined by the Architectural Control Committee shall be prohibited.

d. Trim:

When siding around windows, trim shall be a minimum of 6" with sill and crosshead top plate. For brick, a soldier course or stone element shall be required for a lintel and a rowlock course or stone element shall be required as a sill.

e. Shutters:

If provided, shutters shall be proportioned to one-half of the window from each side.

f. Foundation Cladding:

Foundation cladding may consist of brick, natural stone, or cultured stone.

g. Porch Pier Cladding:

Porch pier cladding may consist of brick, natural stone, or cultured stone.

h. Chimney Cladding:

Chimney cladding may consist of brick, natural stone, cultured stone, or material to match the primary material of the façade.

i. Roof Pitch and Overhang:

Roof pitch may be 5:12 to 12:12 excluding small roof areas over entryways or porches. Flat roofs may be permitted if the ACC deems the roof provides architectural significance to the structure. Roof eave/overhang must project no less than 12 inches from the face of the structure.

j. Roof Materials:

Roofs shall be constructed of high-quality materials such as natural or synthetic clay tiles, slate, concrete tiles (with natural texture and color), standing seam metal roofing, and three dimensional or architectural rated asphalt/fiberglass shingles.

k. Mechanical Equipment:

All mechanical equipment shall be screened from view by buildings, ornamental fences/walls, architectural screens, parapet walls, or landscaping complementary to the materials of the Primary Structure. Mechanical equipment shall include the following: HVAC systems; pedestals for telephone, electric, or data service; television antenna (whether ground, side, or roof mounted); satellite dishes or antenna (whether ground, side, or roof mounted)

l. Garages, Drives and Approaches, Parking Areas:

A minimum two (2) car garage shall be provided for all Primary Structures.

The following standards shall apply to all Garages, Drives and Approaches, and Parking Areas within HMPD Single Family Residential:

- i. Alley Loading Garages:** Alley-loading garages are required on the following lots: L1, L2, L3, L4, L5, L6, L7, L8

No front-loading garages shall be permitted on these lots. No drive cuts shall be permitted on Washington Street or Franklin Street for these lots.

- ii. Side-Loading and Front-Loading Garages:**

Side-Loading or Front-Loading Garages shall be required on the following lots: L9, L10, L11, L12, L13

Drive cuts shall be permitted on these lots in accordance with the driveway standards established by the UDO.

Front-Loading Garages may not be constructed in plane with the Primary Façade. Front Loading garages must be a minimum 20 feet behind the Primary Façade and main entrance and not compose more that 40% of the length of the Primary Structure.

- iii. Interior Dimensions:**

Interior dimensions of garages shall be a minimum 10 feet by 20 feet per vehicle parking space.

iv. Garage Doors:

The maximum width of a single car garage door shall be 9 feet. Two car garage door widths shall be 16 to 18 feet. The minimum separation between garage doors shall be two feet. Door design should match the style of the Accessory Structure and should include a glass element.

v. Detached Garages:

Detached garages shall be encouraged; however, attached garages shall not be prohibited. If connected, garages connected to a dwelling structure by a breezeway shall be encouraged.

vi. Drives and Approaches:

Drives and approaches shall be constructed to the standards required by the UDO. Acceptable materials within the PD include concrete, asphalt pavement, and other similar materials approved by the ACC and the City Engineer.

vii. Parking Pads:

Parking pads, if any, shall be a minimum 10 feet by 20 feet per vehicle parking space. Gravel parking pads shall not be allowed. Allowable materials shall include concrete, asphalt pavement, and other similar materials approved by the ACC and City Engineer. Parking pads should be screened from public view by buildings, ornamental fences/walls, architectural screens, parapet walls, or landscaping complementary to the materials of the Primary Structure.

viii. Carports:

Carports shall be prohibited within the PD.

5. Minor Accessory Structure Architectural Standards:

Minor Accessory Structures should be consistent and complementary to the Primary Structure in appearance. Minor Accessory Structures must comply with the material and color requirements for Primary Structures. Minor Accessory Structures may be reviewed and approved or disapproved with comments by the Plan Commission Staff with a submitted sketch site plan showing location and size and a sketch elevation indicating materials and colors to scale and with dimensions.

6. Fences and Wall Standards:

Fences and Hardscape Borders should be constructed of high-quality, long-lasting materials and must meet the following requirements:

a. Materials:

Fences may be constructed of the following materials:

- i. Wrought Iron
- ii. Black metal
- iii. Treated wood stained a color complementary to the Primary Structure
- iv. Stone
- v. Brick or textured masonry may be used upon approval by the ACC

b. Prohibited Materials:

The following fence materials are prohibited:

- i. Chain link
- ii. Vinyl fencing
- iii. Chicken wire
- iv. Composite materials

B. Area 2: HMPD – Townhome Development

1. Compatibility:

All Primary Structures within the PD should be compatible in design, materials, and architecture to existing structures within the City of Shelbyville’s West Side Historic District. Care should be given by the Architectural Control Committee to approve designs that are congruent with the design and quality of the architecturally contributing structures within the district, but also balance modern construction methods and modern architectural design.

2. Professional Design Requirement:

All Townhome Structures shall be designed and certified by an architect licensed by the State of Indiana.

3. Primary Structure Architectural Standards:

a. Primary Façade:

The Primary Façade shall be defined as the front of the structure that includes the main entrance to all dwelling units. The Primary Façade must face a public street.

Requirements for the Primary Façade consist of the following:

- i. **Main Entrances:**

A highly visible building entrances to dwelling units shall be oriented to face the adjacent major street. If not zero (0) lot line, the entry shall include a minimum 5' concrete or paver walkway from the public sidewalk to the dwelling entry. The entry shall be covered and include a stoop, porch, or balcony over the entrance.

ii. **Materials:**

Primary Structure building materials may consist of the following materials: brick, natural stone, cultured stone, smooth wood siding, smooth fiber cement siding.

iii. **Accent Materials:**

Accent materials may consist of natural stone, cultured stone, or architectural metal such as stainless steel, copper, brushed nickel, brass, or similar. Accent materials, if used, may compose up to 25% of the façade.

iv. **Dwelling Unit Façade Variety:**

Building details, materials, windows, doors and trim for each dwelling unit should reflect a complementary architectural style to each other unit and the neighborhood, but the front façade of each dwelling unit should vary in some of the following ways:

1. Varied architectural elements
2. Varied entry features
3. Façade projections or recesses
4. Varied, but complementary materials
5. Varied, but complementary colors

v. **Glazing:**

Glazing must compose a minimum 20% of the surface area of a Primary Façade.

b. Secondary Façade:

The Secondary Façade shall be defined as the sides and rear of the structure and should match the Primary Façade in material composition, colors, and general fenestration. Requirements for Secondary Facades consist of the following:

i. **Materials:**

Secondary Façade building materials must compliment the Primary Façade and may consist of the following: brick, natural stone, cultured stone, smooth wood siding, smooth fiber cement siding.

ii. **Accent Materials:**

Accent materials must compliment the Primary Façade and may consist of natural stone, cultured stone, or architectural metal such as stainless steel, copper, brushed nickel, brass, or similar. Accent materials may compose up to 25% of the façade.

iii. **Glazing:**

Glazing must compose a Minimum 15% of the surface area of a Secondary Façade that faces a Public Street or Alley. In all other instances glazing must compose a minimum 10% of the total façade surface area.

c. **Prohibited materials:**

The following materials are prohibited from use on any building within the PD:

- i. Aluminum Siding
- ii. Corrugated Metal Siding
- iii. EFIS
- iv. Exposed concrete block, unless finished with brick or stone
- v. Vinyl Siding, vinyl soffits, or other vinyl materials are strictly prohibited from use on any structure within the PD.

d. **Colors:**

Up to three colors, including material colors, but excluding trim color may be used on structures. A minimum of two colors including trim color must be used. Overly bright colors as determined by the Architectural Control Committee shall be prohibited.

e. **Trim:**

When siding around windows, trim shall be a minimum of 6" with sill and crosshead top plate. For brick, a soldier course or stone element shall be required for a lintel and a rowlock course or stone element shall be required as a sill.

f. Shutters:

If provided, shutters shall be proportioned to one-half of the window from each side.

g. Foundation Cladding:

Foundation cladding may consist of brick, natural stone, or cultured stone.

h. Porch Pier Cladding:

Porch pier cladding may consist of brick, natural stone, or cultured stone, between each pier.

i. Chimney Cladding:

Chimney cladding may consist of brick, natural stone, cultured stone, or material to match the primary material of the façade.

j. Roof Pitch and Overhang:

Roof pitch may be 5:12 to 12:12 excluding small roof areas over entryways or porches. Flat roofs may be permitted if the ACC deems the roof provides architectural significance to the structure. Roof eave/overhang must project no less than 18 inches from the face of the structure.

k. Roof Materials:

Roofs shall be constructed of high-quality materials such as natural or synthetic clay tiles, slate, concrete tiles (with natural texture and color) standing seam metal roofing, and three dimensional or architectural rated asphalt/fiberglass shingles.

l. Mechanical Equipment:

All mechanical equipment shall be screened from view by buildings, ornamental fences/walls, architectural screens, parapet walls, or landscaping complementary to the materials of the Primary Structure. Mechanical equipment shall include the following: HVAC systems; pedestals for telephone, electric, or data service; television antenna (whether ground, side, or roof mounted); satellite dishes or antenna (whether ground, side, or roof mounted)

m. Garages:

Garages should be accessed from the rear of the Primary Structure and should be integral to its the construction. A two (2) car garage shall be provided for each dwelling unit.

i. Interior Dimensions:

Interior dimensions shall be a minimum 10 feet by 20 feet per vehicle parking space.

ii. Garage Doors:

The maximum width of a single car garage door shall be 9 feet. Two car garage door widths shall be 16 to 18 feet. The minimum separation between garage doors shall be two feet. Door design should match the style of the dwelling unit facade and should include a glass element.

7. Accessory Structure Architectural Standards:

The design of an Accessory Structure should be consistent and complementary to its Primary Structure. Accessory Structures shall also be subject to the standards set forth in the UDO with respect to Multiple-Family Residential (RM). The following standards apply to the design of Accessory Structures:

a. Materials:

Accessory Structures must be constructed of similar or complementary materials to the Primary Structure and must incorporate one (1) material from the Primary Structure at a minimum. The Primary Structure design elements shall be carried over to the Accessory Structure.

In allowing unlisted materials, the ACC should exercise an abundance of caution to allow only materials with significant longevity that are consistent with the quality and character of the PD.

b. Prohibited materials:

The following materials are prohibited from use on any building within the PD:

- i. Aluminum Siding
- ii. Corrugated Metal Siding
- iii. EFIS
- iv. Exposed concrete block, unless finished with brick or stone.
- v. Vinyl Siding, vinyl soffits, or other vinyl materials are strictly prohibited from use on any structure within the PD.

c. Colors:

Colors for Accessory Structures should be consistent and complementary to the colors of the Primary Structure. Up to three colors, including material colors, but excluding trim color may be used on structures. A minimum of two colors including trim color must be used. Overly bright colors as determined by the Architectural Control Committee shall be prohibited.

d. Trim:

When siding around windows, trim shall be a minimum of 6" with sill and crosshead top plate. For brick, a soldier course or stone element shall be required for a lintel and a rowlock course or stone element shall be required as a sill.

e. Shutters:

If provided, shutters shall be proportioned to one-half of the window from each side.

f. Foundation Cladding:

Foundation cladding may consist of brick, natural stone, or cultured stone.

g. Porch Pier Cladding:

Porch pier cladding may consist of brick, natural stone, or cultured stone.

h. Chimney Cladding:

Chimney cladding may consist of brick, natural stone, cultured stone, or material to match the primary material of the façade.

i. Roof Pitch and Overhang:

Roof pitch may be 5:12 to 12:12 excluding small roof areas over entryways or porches. Flat roofs may be permitted if the ACC deems the roof provides architectural significance to the structure. Roof eave/overhang must project no less than 12 inches from the face of the structure.

Exhibit A: Hamilton-Major Planned Development District Legal Description

COMMENCING AT THE SOUTHEAST CORNER OF LOT 7 IN THE ORIGINAL PLAT OF SHELBYVILLE, AS RECORDED IN PLAT CABINET A, SLIDE 330 IN SAID RECORDER'S OFFICE; THENCE SOUTH 89 DEGREES 58 MINUTES 01 SECOND WEST ALONG THE SOUTH LINE OF SAID LOT 7 A DISTANCE OF 381.50 FEET TO THE PLACE OF BEGINNING; THENCE CONTINUING SOUTH 89 DEGREES 58 MINUTES 01 SECOND WEST A DISTANCE OF 279.10 FEET; THENCE NORTH 00 DEGREES 56 MINUTES 11 SECONDS WEST A DISTANCE OF 528.23 FEET; THENCE NORTH 89 DEGREES 55 MINUTES 06 SECONDS EAST A DISTANCE OF 49.40 FEET; THENCE SOUTH 00 DEGREES 56 MINUTES 40 SECONDS EAST A DISTANCE OF 146.27 FEET; THENCE NORTH 89 DEGREES 50 MINUTES 00 SECONDS EAST A DISTANCE OF 232.47 FEET; THENCE NORTH 00 DEGREES 01 MINUTE 11 SECONDS WEST A DISTANCE OF 10.25 FEET; THENCE NORTH 89 DEGREES 50 MINUTES 00 SECONDS EAST A DISTANCE OF 90.00 FEET; THENCE NORTH 00 DEGREES 01 MINUTE 10 SECONDS WEST A DISTANCE OF 135.52 FEET TO THE NORTH LINE OF SAID SYLVAN B. SURVEY DESCRIPTION

THIS DESCRIPTION WAS PREPARED BY GEORGE W. CHARLES II, LS2880117, FOR PLATTING PURPOSES. PART OF THE SYLVAN B. MORRIS ADDITION, AS RECORDED IN PLAT CABINET A, SLIDE 300 IN THE SHELBY COUNTY RECORDER'S OFFICE AND PART OF THE NORTHEAST QUARTER OF SECTION 6, TOWNSHIP 12 NORTH, RANGE 7 EAST, AND PART OF THE SOUTHEAST QUARTER OF SECTION 31, TOWNSHIP 13 NORTH, RANGE 7 EAST, ALL IN ADDITION TOWNSHIP, SHELBY COUNTY, INDIANA, DESCRIBED AS FOLLOWS:

COMMENCING AT THE SOUTHEAST CORNER OF LOT 7 IN THE ORIGINAL PLAT OF SHELBYVILLE, AS RECORDED IN PLAT CABINET A, SLIDE 330 IN SAID RECORDER'S OFFICE; THENCE SOUTH 89 DEGREES 58 MINUTES 01 SECOND WEST ALONG THE SOUTH LINE OF SAID LOT 7 A DISTANCE OF 381.50 FEET TO THE PLACE OF BEGINNING; THENCE CONTINUING SOUTH 89 DEGREES 58 MINUTES 01 SECOND WEST A DISTANCE OF 278.10 FEET; THENCE NORTH 00 DEGREES 56 MINUTES 11 SECONDS WEST A DISTANCE OF 528.23 FEET; THENCE NORTH 89 DEGREES 55 MINUTES 06 SECONDS EAST A DISTANCE OF 49.40 FEET; THENCE SOUTH 00 DEGREES 56 MINUTES 40 SECONDS EAST A DISTANCE OF 146.27 FEET; THENCE NORTH 89 DEGREES 50 MINUTES 00 SECONDS EAST A DISTANCE OF 232.47 FEET; THENCE NORTH 00 DEGREES 01 MINUTE 11 SECONDS WEST A DISTANCE OF 10.25 FEET; THENCE NORTH 89 DEGREES 50 MINUTES 00 SECONDS EAST A DISTANCE OF 90.00 FEET; THENCE NORTH 00 DEGREES 01 MINUTE 11 SECONDS WEST A DISTANCE OF 15.52 FEET; THENCE NORTH 89 DEGREES 50 MINUTES 00 SECONDS EAST A DISTANCE OF 278.10 FEET; THENCE NORTH 00 DEGREES 55 MINUTES 06 SECONDS EAST ALONG SAID NORTH LINE A DISTANCE OF 40.00 FEET; THENCE SOUTH 00 DEGREES 01 MINUTE 10 SECONDS EAST A DISTANCE OF 255.21 FEET TO THE SOUTH LINE OF SAID SYLVAN B. MORRIS ADDITION; THENCE SOUTH 89 DEGREES 51 MINUTES 09 SECONDS WEST A DISTANCE OF 70.70 FEET ALONG SAID SOUTH LINE TO THE EAST BOUNDARY OF FRANKLIN STREET VACATED PER BOOK 58 PAGE 442, AS RECORDED IN SAID RECORDER'S OFFICE; THENCE SOUTH 00 DEGREES 01 MINUTE 11 SECONDS EAST ALONG SAID EAST BOUNDARY A DISTANCE OF 49.50 FEET TO THE SOUTH BOUNDARY OF SAID FRANKLIN STREET VACATED; THENCE SOUTH 89 DEGREES 51 MINUTES 09 SECONDS WEST ALONG SAID SOUTH BOUNDARY A DISTANCE OF 56.02 FEET TO THE WEST LINE OF S. LAUGHLIN ADDITION, AS RECORDED IN PLAT CABINET 1, SLIDE 614 IN SAID RECORDER'S OFFICE; THENCE SOUTH 00 DEGREES 01 MINUTE 48 SECONDS EAST ALONG SAID WEST LINE A DISTANCE OF 223.55 FEET TO THE PLACE OF BEGINNING.

CONTAINING 3.178 ACRES, MORE OR LESS.

ALSO

PART OF THE MILLER & McFARLAND ADDITION AS RECORDED IN PLAT CABINET 1, SLIDE 64 IN THE SHELBY COUNTY RECORDER'S OFFICE AND PART OF THE WESTERN ADDITION, AS RECORDED IN PLAT CABINET A, SLIDE 336 IN SAID RECORDER'S OFFICE, DESCRIBED AS FOLLOWS:

COMMENCING AT THE NORTHEAST CORNER OF LOT 8 BEING AT THE SOUTHWEST CORNER OF WASHINGTON STREET AND TOMPKINS STREET, IN THE ORIGINAL PLAT OF SHELBYVILLE AS RECORDED IN SAID RECORDER'S OFFICE; THENCE SOUTH 89 DEGREES 58 MINUTES 01 SECOND WEST ALONG THE NORTH LINE OF SAID LOT 8 A DISTANCE OF 266.04 FEET TO THE PLACE OF BEGINNING, BEING ON THE NORTH LINE OF SAID WESTERN ADDITION; THENCE SOUTH 00 DEGREES 00 MINUTES 20 SECONDS EAST A DISTANCE OF 138.54 FEET; THENCE NORTH 89 DEGREES 58 MINUTES 02 SECONDS EAST A DISTANCE OF 70.31 FEET; THENCE SOUTH 00 DEGREES 01 MINUTES 51 SECONDS WEST A DISTANCE OF 60.00 FEET TO THE SOUTH LINE OF SAID WESTERN ADDITION; THENCE SOUTH 89 DEGREES 56 MINUTES 01 SECOND WEST ALONG SAID SOUTH LINE AND THE SOUTH LINE OF SAID MILLER & McFARLAND ADDITION A DISTANCE OF 394.11 FEET; THENCE NORTH 00 DEGREES 05 MINUTES 08 SECONDS WEST A DISTANCE OF 198.73 FEET TO THE NORTH LINE OF SAID MILLER & McFARLAND ADDITION; THENCE NORTH 89 DEGREES 58 MINUTES 01 SECOND EAST ALONG SAID NORTH LINE A DISTANCE OF 324.11 FEET TO THE PLACE OF BEGINNING.

CONTAINING 1.574 ACRES, MORE OR LESS.

DEDICATION CERTIFICATE

THE UNDERSIGNED, CITY OF SHELBYVILLE, OWNER OF THE REAL ESTATE SHOWN AND DESCRIBED HEREIN, HEREBY CERTIFYING THAT IT HAS LAD OFF, PLATTED AND SUBDIVIDED, AND DOES HEREBY LAY OFF, PLAT AND SUBDIVIDE SAID REAL ESTATE IN ACCORDANCE WITH THIS PLAT AND CERTIFICATE. THIS SUBDIVISION SHALL BE KNOWN AND DESIGNATED AS HAMILTON-MAJOR SUBDIVISION, AN ADDITION TO THE CITY OF SHELBYVILLE, SHELBY COUNTY, INDIANA. IN ADDITION TO THE COVENANTS AND RESTRICTIONS HEREINAFTER SET FORTH AND CONTAINED IN THIS PLAT, THE REAL ESTATE DESCRIBED IN THIS PLAT IS ALSO SUBJECT TO CERTAIN ADDITIONAL COVENANTS AND RESTRICTIONS CONTAINED IN THAT CERTAIN "DECLARATION OF COVENANTS AND RESTRICTIONS OF HAMILTON-MAJOR SUBDIVISION "COMMUNITY," RECORDED ON THE _____ DAY OF _____, 2019, AS INSTRUMENT NO. _____ IN THE OFFICE OF THE RECORDER OF SHELBY COUNTY, INDIANA (THE "DECLARATION"), AND TO THE RIGHTS, POWERS, DUTIES AND OBLIGATIONS OF THE _____ HOMEOWNERS ASSOCIATION, INC. (THE "HOMEOWNERS ASSOCIATION") AND THE _____ ARCHITECTURAL CONTROL COMMITTEE (THE "COMMITTEE") AS SET FORTH IN THE DECLARATION. ANY CONFLICTING COVENANT OR RESTRICTION CONTAINED IN THIS PLAT SHALL TO THE EXTENT ONLY OF AN IRRECONCILABLE CONFLICT WITH ANY OF THE COVENANTS AND RESTRICTIONS CONTAINED IN THE DECLARATION, BE SUBORDINATE TO THE DECLARATION, IT BEING THE INTENT HEREOF THAT ALL SUCH COVENANTS AND RESTRICTIONS SHALL BE APPLICABLE TO SAID REAL ESTATE TO THE GREATEST EXTENT POSSIBLE. ALL OF THE TERMS, PROVISIONS, COVENANTS, CONDITIONS AND RESTRICTIONS CONTAINED IN THE DECLARATION ARE HEREBY INCORPORATED HEREIN BY REFERENCE. IN ORDER TO PROVIDE ADEQUATE PROTECTION TO ALL PRESENT AND FUTURE OWNERS OF LOTS IN THIS SUBDIVISION, THE FOLLOWING COVENANTS, RESTRICTIONS AND LIMITATIONS, IN ADDITION TO THOSE SET FORTH IN THE DECLARATION, ARE HEREBY IMPOSED UPON AND SHALL RUN WITH THE LAND INCLUDED IN THIS SUBDIVISION AND SHALL BE BINDING UPON THE DEVELOPER AND ANYONE AT ANYTIME OWNING ANY PART OR PORTION OF SUCH LAND.

- DEDICATION. THE STREETS AND SIDEWALKS, IF NOT HERETOFORE DEDICATED, ARE HEREBY DEDICATED TO PUBLIC USE.
- EASEMENTS. "DRAINAGE AND UTILITY EASEMENT", THE STRIPS OF GROUND OR AREAS INDICATED AS "DRAINAGE & UTILITY EASEMENT" (A.U.E.) ARE RESERVED FOR THE USE OF THE PUBLIC UTILITIES, SUBDIVISION HOMEOWNERS ASSOCIATION, AND THE CITY OF SHELBYVILLE BOARD OF PUBLIC WORKS AND SAFETY, SPECIFICALLY FOR SANITARY SEWERS, ITS SUCCESSORS AND ASSIGNS, TO INSTALL, INSPECT, REPAIR, REPLACE, AND MAINTAIN WATER AND SEWER MAINS, POLES, LINES, WELLS, AND DRAINAGE FACILITIES, SUBJECT AT ALL TIMES TO THE PROPER AUTHORITIES AND TO THE EASEMENT HEREIN RESERVED; NO PERMANENT OR OTHER STRUCTURES ARE TO BE ERRECTED OR MAINTAINED UPON SAID STRIPS OR AREAS OF LAND. OWNERS OF LOTS IN THIS SUBDIVISION SHALL TAKE TITLE TO THEIR LOTS SUBJECT TO SAID EASEMENT RIGHTS.
- COMMON AREAS. THERE ARE PORTIONS OF GROUND LABELED "COMMON AREA" WHICH, UPON FINAL CONSTRUCTION OR PROVISION THEREOF, SHALL BE CONVEYED BY THE DEVELOPER TO THE CITY OF SHELBYVILLE. THESE AREAS ARE RESERVED FOR THE USE OF THE CITY OF SHELBYVILLE FOR ANY USE DESIRED BY THE CITY, AS ESTABLISHED AND EMPOWERED TO DO SO BY "COVENANTS AND RESTRICTIONS" REFERENCED ABOVE; NO PERMANENT OR OTHER STRUCTURES, EXCEPT STRUCTURES APPROVED IN ACCORDANCE AND CONSISTENT WITH THE PROVISIONS OF THE ABOVE REFERENCED COVENANTS, ARE TO BE ERRECTED OR MAINTAINED WITHIN SAID AREAS. ALL COMMON AREAS, INCLUDING ADDITIONAL COMMON AREAS AT THE DEVELOPER'S OPTION, SHALL BE SUBJECT TO THE APPLICABLE COVENANTS AND RESTRICTIONS CONTAINED IN THE DECLARATION.
- DRAINAGE SWALES. DRAINAGE SWALES (DITCHES OR DRAINAGE DETENTION AREAS) ON DEDICATED EASEMENTS ARE NOT TO BE ALTERED, DUG OUT, FILLED IN, TILED, OR OTHERWISE CHANGED WITHOUT THE WRITTEN PERMISSION OF THE HOMEOWNERS ASSOCIATION AND THE TOWN OF BARGERSVILLE. PROPERTY OWNERS MUST MAINTAIN THESE SWALES AS SODDED GRASS ACROSS OR OTHER NON-PROOFING SURFACES. WATER FROM ROOFS OR PARKING AREAS MUST BE CONTAINED ON THE PROPERTY LONG ENOUGH SO THAT THE DRAINAGE SWALES OR DITCHES WILL NOT BE DAMAGED BY SUCH WATER. ANY PROPERTY OWNER ALTERING, CHANGING, OR DAMAGING THESE DRAINAGE SWALES OR DITCHES WILL BE HELD RESPONSIBLE FOR SUCH ACTION AND WILL BE GIVEN 10 DAYS NOTICE BY CERTIFIED MAIL TO REPAIR SAID DAMAGE AFTER WHICH TIME, IF NO ACTION IS TAKEN, THE HOMEOWNERS ASSOCIATION WILL CAUSE SAID REPAIRS TO BE ACCOMPLISHED AND THE STATEMENT FOR COSTS OF THE SAID REPAIRS WILL BE SENT TO THE AFFECTED PROPERTY OWNER FOR IMMEDIATE PAYMENT AND SUCH COSTS WILL CONSTITUTE A LIEN ON THE PROPERTY OWNERS LOT UNTIL PAID. UPON THE COMPLETION OF THE INITIAL CONSTRUCTION OF A RESIDENCE UPON ANY LOT WITHIN THIS DEVELOPMENT, THE BUILDING CONTRACTOR RESPONSIBLE FOR SUCH CONSTRUCTION SHALL BE REQUIRED TO PROVIDE AN AFFIDAVIT OF COMPLIANCE WITH THE REQUIREMENTS OF THIS PLAT, THE INDIANA DRAINAGE CODE OF 1985, AND THE APPLICABLE TOWN OF BARGERSVILLE ORDINANCES, WHICH AFFIDAVIT SHALL BE SUBMITTED TO THE COMMITTEE.
- SET-BACKS. BUILDING SET-BACK LINES ARE HEREBY ESTABLISHED AS SHOWN ON THIS PLAT, BETWEEN WHICH LINES AND THE PROPERTY LINES OF THE STREETS, NO BUILDING OR STRUCTURE (EXCEPT WALLS AND FENCES TO THE EXTENT PERMITTED HEREBY OR BY THE DECLARATION), SHALL BE ERRECTED OR MAINTAINED, NO BUILDING, STRUCTURES OR OTHER IMPROVEMENTS SHALL BE ERRECTED CLOSER TO ANY SIDE OR REAR LOT LINE OF ANY LOT THAN THE MINIMUM DISTANCE REQUIRED BY ORDINANCE, UNLESS PROPOSED OTHERWISE, PERMITTED HEREBY OR BY THE DECLARATION.
- PERPETUATION. ANY FIELD TILE OR UNDERGROUND DRAIN WHICH IS ENCOUNTERED IN CONSTRUCTION OF ANY IMPROVEMENTS WITHIN THIS SUBDIVISION SHALL BE PERPETUATED AND ALL OWNERS OF LOTS IN THIS SUBDIVISION AND THEIR SUCCESSORS SHALL COMPLY WITH THE INDIANA DRAINAGE CODE OF 1985, AND ALL AMENDMENTS THEREOF.
- OBSTRUCTIONS. NO FENCE, WALL, HEDGE, TREE, SHRUB, PLANTING OR OTHER SIMILAR ITEM WHICH OBSTRUCTS SIGHT LINES AT ELEVATION BETWEEN TWO AND ONE-HALF (2½) AND NINE (9) FEET ABOVE THE CROWN OF A STREET SHALL BE PERMITTED TO REMAIN ON ANY CORNER LOT WITHIN THE TRIANGULAR AREA FORMED BY THE STREET RIGHT-OF-WAY LINES AND A LINE CONNECTING POINTS TWENTY-FIVE (25) FEET FROM THE INTERSECTION OF THE STREET RIGHT-OF-WAY LINES, OR IN THE CASE OF A ROUNDED PROPERTY CORNER, FROM THE INTERSECTION OF THE STREET RIGHT-OF-WAY LINES EXTENDED.

THE SAME SIGHT LINE LIMITATIONS SHALL APPLY TO ANY LOT WITHIN TEN (10) FEET FROM THE INTERSECTION OF A STREET RIGHT-OF-WAY LINE WITH THE EDGE OF A DRIVEWAY PAVEMENT OR ALLEY LINE. FOR CORNER LOTS, NO DRIVEWAY SHALL BE LOCATED WITHIN SEVENTY (70) FEET OF THE INTERSECTION OF TWO (2) STREET CENTERLINES.

- SIDEWALKS. SIDEWALKS SHALL BE CONSTRUCTED AS REQUIRED BY THE CONSTRUCTION PLANS APPROVED BY THE CITY OF SHELBYVILLE PLAN COMMISSION, WHICH CONSTRUCTION SHALL BE THE RESPONSIBILITY OF THE LOT OWNER UPON WHOM THE LOT IS TO BE CONSTRUCTED, PROVIDED, HOWEVER, THAT ANY COMMON AREA SIDEWALKS SHALL BE CONSTRUCTED BY THE DEVELOPER AS DESIGNATED ON THE FINAL CONSTRUCTION PLANS. ALL SIDEWALKS SHALL BE COMPLETED AT THE SAME TIME AS THE DRIVEWAY IS CONSTRUCTED ON THE LOT BY THE LOT OWNER. ALL SIDEWALKS SHALL BE POURED CONCRETE, WITH EXPANSION JOINTS, SUCH CONSTRUCTION TO BE PERPETUAL AND CONTINUOUS ALONG THE STREET FRONTS AND ACROSS THE DRIVEWAY OF EACH LOT.

- NON-LIABILITY OF DEVELOPER AND COMMITTEE. NOTWITHSTANDING ANY REVIEW OR APPROVAL OF PLANS AND SPECIFICATIONS SUBMITTED BY A LOT OWNER, THE DEVELOPER AND COMMITTEE SHALL HAVE NO LIABILITY FOR COMPLIANCE OF SUCH PLANS WITH THESE PLAT RESTRICTIONS OR THE DECLARATION OF ANY APPLICABLE CODE, REGULATION OR LAW.

- COVENANTS APPURTENANT TO LAND. THESE COVENANTS ARE TO RUN WITH THE LAND, AND SHALL BE BINDING ON ALL PARTIES AND ALL PERSONS CLAIMING UNDER THEM FOR A PERIOD OF TWENTY-FIVE (25) YEARS FROM THE DATE THESE COVENANTS ARE RECORDED, AT WHICH TIME SAID COVENANTS SHALL BE AUTOMATICALLY EXTENDED FOR SUCCESSIVE PERIODS OF TEN (10) YEARS EACH, UNLESS AT ANY TIME AFTER FIFTEEN (15) YEARS A MAJORITY OF THE OWNERS OF THE LOTS IN THIS SUBDIVISION AGREE TO CHANGE (OR TERMINATE) SAID COVENANTS IN WHOLE OR IN PART AND ON THE CONDITION THAT AN INSTRUMENT TO THAT EFFECT SIGNED BY THE LOT OWNERS VOTING IN FAVOR OF CHANGE HAS BEEN RECORDED. PROVIDED, HOWEVER, THAT NO CHANGE OR TERMINATION OF SAID COVENANT SHALL AFFECT ANY EASEMENT HEREBY CREATED OR GRANTED UNLESS ALL PERSONS ENTITLED TO THE BENEFICIAL USE OF SUCH EASEMENT SHALL CONSENT HERETO.

- ENFORCEMENT. WAIVER. ENFORCEMENT SHALL BE BY PROCEEDINGS AT LAW OR IN EQUITY AGAINST THE PERSON OR PERSONS VIOLATING OR ATTEMPTING TO VIOLATE ANY COVENANT EITHER TO RESTRAIN FROM SUCH VIOLATION OR TO RECOVER DAMAGES. INVALIDATION OF ANY ONE OF THESE COVENANTS BY JUDGEMENT OR COURT ORDER SHALL IN NO WAY AFFECT ANY OF THE OTHER PROVISIONS WHICH SHALL REMAIN IN FULL FORCE AND EFFECT. FAILURE TO ENFORCE ANY SPECIFIC REQUIREMENT OF THE COVENANT SHALL NOT BE CONSIDERED AS A WAIVER TO ENFORCE ANY COVENANT THEREAFTER. NOTWITHSTANDING THE FOREGOING, ANY VIOLATION OF THESE COVENANTS OR THE DECLARATION MAY BE WAIVED BY A MAJORITY OF THE THEN OWNERS OF THE LOTS IN THIS SUBDIVISION.

- AMENDMENTS AND SUPPLEMENTS. DEVELOPER HEREBY RESERVES THE RIGHT, FROM TIME TO TIME AND AT ANY TIME, TO MODIFY, SUPPLEMENT OR AMEND THESE EASEMENTS, COVENANTS AND RESTRICTIONS, WITHOUT THE CONSENT OF ANY OWNER OR PARTY IN INTEREST, IF DEVELOPER RECORDS THE MODIFICATION IN THE OFFICE OF THE RECORDER OF JOHNSON COUNTY, INDIANA, AND THE MODIFICATION IS FOR ANY ONE OR MORE OF THE FOLLOWING PURPOSES: (i) TO EXTEND THE PROVISIONS OF THESE EASEMENTS, COVENANTS AND RESTRICTIONS TO BIND AND BENEFIT THE ANNEXED REAL ESTATE AND THE OWNER(S) OF A LOT WITHIN THE ANNEXED REAL ESTATE; (ii) TO CLARIFY, FURTHER DEFINE OR LIMIT ANY EASEMENT, OR OTHERWISE EXERCISE ANY RIGHTS RESERVED HEREIN; OR (iii) TO CHANGE THE SUBSTANCE OF ONE OR MORE COVENANTS, CONDITIONS, TERMS OR PROVISIONS HEREOF PROVIDED THAT SUCH CHANGE (A) DOES NOT MATERIALLY INCREASE THE OBLIGATION(S) OF ANY OWNER UNDER ANY COVENANT, CONDITION, TERM OR PROVISION WITHOUT SUCH OWNER'S CONSENT OR (B) IS NECESSARY TO COMPLY WITH A BONA FIDE GOVERNMENTAL REQUIREMENT, INCLUDING APPLICABLE LAWS, ORDINANCES, REGULATION OR ORDERS OF ANY MUNICIPALITY OR COURT HAVING JURISDICTION.

- COMMITMENTS. ALL LANDS WITHIN THIS SUBDIVISION SHALL BE SUBJECT TO THE ZONING COMMITMENTS LISTED AND IDENTIFIED WITHIN INSTRUMENT NO. _____.

- LEGAL ENCUMBRANCES. ALL LANDS WITHIN THIS SUBDIVISION SHALL BE SUBJECT TO THE LEGAL ENCUMBRANCES LISTED AND IDENTIFIED WITHIN INSTRUMENT NO. _____.

WITNESS OUR HANDS AND SEALS THIS _____ DAY OF _____, 2019.
