

BOARD OF PUBLIC WORKS AND SAFETY

Regular Meeting

October 28, 2014

The regular meeting of the Board of Public Works and Safety of the City of Shelbyville, Indiana, was held in the Common Council Chambers of City Hall on Tuesday, October 28, 2014, at 8:30 A.M. All members were present, and Mayor DeBaun presided.

Mr. Williams moved to approve the minutes of the previous meeting held on October 21, 2014, and Mayor DeBaun seconded. The motion was carried on a 2-0-1 voice vote, with Mr. Finkel abstaining.

Mr. Finkel moved to approve the claims as presented, and Mr. Williams seconded. The motion was carried on a 3-0 voice vote.

There was no old business.

Under new business, Building and Plan Commission Director Dann Bird presented Resolution No. 2014-6 for the Board's consideration. He said the Resolution would allow the City to acquire certain properties that did not sell at the County's tax sale, and then they could be used by Rupert's program, the blight elimination program, or as nuisance properties. Dann said there's no rush to approve this today, but it would start with serious consideration after the next Board meeting. He also said there will be a 120 day process to go through to get the tax deed. Mr. Finkel noted that these properties are both residential and commercial that didn't sell. Mayor DeBaun said this would be taken under advisement.

Mayor DeBaun wanted to compliment Dann and Deputy Plan Commission Director Michele Hansard for their work on the blight elimination program and the article in today's paper, expertly written by Andy Proffet, indicating the City has received over \$300,000.00 in grant monies for the blight elimination program. Mayor DeBaun said the City and the County would work on the project.

There being no further business, Mr. Williams moved to adjourn.

Thomas D. DeBaun  
Mayor
