 Electrical Contractor's Original Signature

***For electrical work not specifically indicated on this fee schedule but that is subject to permitting requirements**

Note: Each application is valid for one permit address only and must contain all requested information. Your signature on this application indicates your agreement to call for required inspections & to have anyone on the jobsite working registered with us. Your signature also denotes your understanding that you or your employee, under your direct supervision, will be performing this work. If you let anyone else use your license or pull a permit for them, The Shelbyville Building Commission can revoke your license and you will lose your ability to perform electrical work in the City of Shelbyville.
