My name is Mike Babbitt I live at [2301 eagle brook shelbyville](#), We have a concern about traffic flow on to Amos road,with this new addition there will be APX 500 cars most of them will will use Amos road to exit.We would like you to open and use the existing entrance and exit on the south side on progress parkway,. all of Eagle brook home owners agree we will be at the meeting Monday night 7 pm Thank you
